CROATIAN
CRUISING

Large swimming platform for easy access to the water. Vranjak is the ideal ship for your diving cruise. You find everything you need to dive on board. Diving equipment rental is available and the ship can accommodate up to 20 guests.

The M/Y Vranjak I is a 27 m long steel vessel built specifically for the needs of divers. The dive deck is equipped with diving seats and boxes for diving equipment. The diving platform of "Vranjak I" can satisfy the most demanding scuba and technical divers.

Croatia has a stunning, long stretch of coast with crystal-clear azure blue water, making it ideal for diving. For this reason, it has become a popular destination among diving enthusiasts. Islands, bays, and caves abound, with much flora and fauna to be found in the sea.
